Shut up boy  
just shut up boy  
shut up boy  
yeahh yeah  
now what would it, take to get, you to shut up for a  
minute  
im sick of this yelling contest, ooh  
see you're a bit much with it  
can't you shut up for a minute  
and let me get this off my chest  
for the last 15 minutes  
i been trying to let you know  
that my heart and mind ain't in this  
here relationship no more  
and you keep talking over me  
not listening as usual  
and if i walked out of here right now  
you would just keep on talking slow  
you can keep running your mouth all you want  
when you stop and take a breath, ill be gone  
said it's so sad, that its ending this way  
gotta tell you good bye baby  
could you please shut up so you can hear me  
so whatcha saying girl, whatcha saying girl  
shut up so you can hear me  
tell me what youre saying girl, whatcha saying girl  
i wanted to explain to you  
why i cant stand a minute  
but i cant get a word in, nooo  
baby i thought everything was cool with us  
i dont understand what's wrong  
dont leave me baby  
you see what im saying  
whatcha saying girl  
for the last 35 minutes  
i been trying to let you know  
that my heart and mind ain't in this  
here relationship no more  
and you keep talking over me  
not listening as usual  
and if i walked out of here right now  
you would just keep on talking slow

you can keep running your mouth all you want  
when you stop and take a breath ill be gone  
said it's so sa , that its ending this way  
gotta tell you good bye baby  
could you please shut up so you can hear me  
you can keep running your mouth all you want  
when you stop and take a breath i'll be gone  
said it's so sad , that its ending this way  
gotta tell you good bye baby  
could you please shut up so you can hear me  
so whatcha saying girl, whatcha saying girl  
shut up so you can hear me  
tell me what youre saying girl, whatcha saying girl  
baby i thought everything was cool with us  
i dont understand what's wrong  
dont leave me baby  
just shut up boy  
won't you just shut up boy  
shut up boy
