Bad Girl

VERSE

Now baby I
Was just traveling by
When you roped me in
Then you knocked me out

And baby you
You try to confuse
You tied me here
Got me lost in doubt

REFRAIN

Now I know the reason why
You're a bad, bad girl

VERSE 2

And I can't see
What you want with me
Why you closed the blinds
And then you closed my eyes

Even though I try
I can't say goodbye
We took a desert drive
And you left me out to die

REFRAIN

Now I know the reason why
You're a bad, bad girl

CHORUS

Love
How it burns
Now that she's takin'
She was just fakin'
I pull myself up
Gotta learn
The mistakes that I'm makin'
Poison lips that I've tasted
A bad bad girl

REFRAIN

CHORUS
