Oh it's not so hard to tell
The lie you try n sell
To take what you can take
And leave some empty shell

Thinkin only for yourself
But the gold it's gonna melt
You broke what you could break Now the fires burn and
swell
But you said

[Chorus]
I didn't break any rules today
It's finders Keepers
You handed it over babe it's
Finders Keepers
Not givin it back, I'm gone
'Cause Finders Keepers
I'm putting my clothes back on it's
Finders Keepers

Well you found a loaded gun
And you thought it might be fun
To play Bonnie and Clyde
But you're not on the run

'Cause your conscience doesn't care
You pretend it isn't there
But somewhere deep inside
The fire takes it's share
But you said

[Chorus]

Now I find the fire that will
Make me keep on singing until
Everybody knows you're living a lie
Oh

[Chorus]

Finders Keepers (4x)
