Is This Really Love?

Verse 1

I look into my mirror  
And see you in my bed  
And I think to myself  
What was I smoking last night?

Maybe last week  
Or maybe yesterday  
I really cannot say  
When I found out, that this girl is taking advantage of  
me

Chorus

Is this really love?  
What do I know?  
Caught up in her game  
And she's playin' me like a fool

Verse 2

Oh baby  
I dip into my wallet  
To find my money's gone (shoulda known)  
And I think to myself  
I'm hopeless 'cause she's done this all before  
Ooh, hit me Ryan

Chorus

Bridge

A cheater, a liar  
She got me choked so tight  
The heat and the fire  
She tells me it's alright baby  
Believing a stranger  
She always lands on top  
I'm leaving the danger  
I said I'm out but I can't stop  
Oh baby, I'm addicted to you  
Oh I can't get out, y'know it kills me now

## Chorus
