#### Verse

Not coming home  
I'm fine on my own for the meantime  
For some me time

Lost in the moment  
Don't know where I'm going  
But I know I've got to go

I'm at a fork in the road  
I'll never know  
What was right from what was left behind

So much persists there's  
So much I'll miss but I need it  
I just need this now

#### Pre Chorus

Don't you worry babe  
No other girl makes me feel this way  
I hate to leave but I know I just can't stay

#### Chorus

So even if times get rough  
We could still rely on trust  
But I could never give enough to fate  
'Cause love don't have no expiration date

#### Verse 2

Not gonna lie  
There's moments when I feel helpless  
I need hope and

Some time to find  
Everything you see inside  
Maybe I just haven't found it yet

#### Pre Chorus

#### Chorus

Bridge

The taste of your goodbye  
Made me realize oh  
What I had to do  
I'm home when I'm with you

Pre Chorus

Chorus 2x
