Return To Me

Verse

It's not my fault
I need you closer
I want it all
California, California

Is not the same
Our favorite places
They're just not there when you're away

Chorus

Wanna sing 'til the sun goes down
Wanna talk but you're not in town
Head back home waiting around for you
To return to me

Verse 2

I miss the way
We used to be together
Most everyday
Now I'm waiting, I'm just waiting

You're scared of time
You're scared of distance
You say your fine but that's not true

Chorus

Bridge

Return to me
Just gotta to be strong (return to me)
I wonder how long (return to me)
An ocean away
Don't mind the delay
I'm sorry to say that she's gone
She's gone away

Chorus 2x
