2nd period

Why you sit so far away

I want to start a conversation

But I wouldn't know how to say

Hello there

Would you like a piece of gum

Hello there

I think the answer's 51

I can see it in your eyes

You have almost realized

If you want to let me know

I'll let all me feelings flow

Oh yes, oh no

Every time I hide my smile, does it show

Try to look away but you are so there

The school bell rings, class is over

You leave your seat

We're walkin in the same direction

A perfect chance to meet

Hello there

Would you like to walk together

Hello there

This is certainly bad weather

I can see it in your eyes

You have almost realized

If you want to, let me know

I'll let all me feelings flow

Oh yes, oh no

Every time I hide my smile, does it show?

Try to look away but you are so there

I can see it in your eyes

You have almost realized

If you want to, let me know

I'll let all me feelings flow

Oh yes, oh no
