#### Verse 1:

Late nights, New York, trouble on my mind;  
Crossed town to the west end, I'm wasting my time.  
Down south back roads, dust clouds yeahh.  
Backseat of that Chevrolet, but it wasn't there.  
Missed the flight out of Heathrow, got stuck up in a one  
room flat.  
She's so fit tryna hold me down, while I was just trying  
to get back.  
Malibu, beach flow, crushing on these shores.  
A smile shining like gold, but that smile wasn't yours.  
And I know, I know, I know, I know, you see..

#### Chorus:

Everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you.  
Yeah ahhyeah  
I choose you.  
I told ya, everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you.  
(You know I choose you, wouldn't ever want to loose  
you)  
And I choose you.  
And I choose you-u-u-u-u-u-u.  
And I choose you-u-u-u-u-u-u.

#### Verse 2:

Like this:  
High heels, dirty talk, hand cuffs and chains.  
Nails down my back, but I never knew her name.  
Bright eyes, sun dress, daddy's little girl.  
She changed my life, but you changed my world.  
And I know, I know, I know, I know, you see...

#### Chorus:

Everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you.  
You know I choose you

I choose you.  
You know I choose you  
Everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you.  
And I choose you.  
And I choose you-u-u-u-u-u-u.  
And I choose you-u-u-u-u-u-u.

Verse 3:

You're every place that I've been baby, you're every  
face that I've seen;  
You're everywhere and I'm going crazy, your body  
rockin my dreams;  
You're always up in my mind, you're everywhere that I  
go;  
You're everything in this time, so girl I'm lettin you  
know;  
That I'm rolling up in a fly whip, come ride this and just  
close your eyes;  
Showin up with my sidekick, my, superhero with a dope  
disguise;  
No wonder woman, all our dreams are coming true;  
So don't be scared of losing me, because I'm always  
choosing you.

Chorus:

Everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you.  
(I choose you)  
I choose you.  
(You know I choose you, I could never loose you)  
And I choose you-u-u-u-u-u-u.  
And I choose you-u-u-u-u-u-u.  
Everybody needs somebody to love.  
And I choose you-u-u-u-u-u-u.  
I need somebody to lo-o-o-ove.  
I need somebody to lo-o-o-ove.  
And if you need somebody to love, then I choose you.
