[Verse 1:]

Where are we now  
I can't come down  
I'm dreaming  
And they scream so loud  
I don't know how  
I'm breathing

[Chorus:]

I need one night, to get away from it all  
I need one chance, don't let me fall  
I need one life, to get lost in the sound  
Just for one night, I don't wanna be found  
I don't wanna be found  
(I need one night, one night)  
(I need one night, one night)  
I don't wanna be found.

[Verse 2:]

So far from real  
But I want to feel  
You near me  
We're moving still  
And I wonder will  
You hear me?

[Chorus:]

I need one night, to get away from it all  
I need one chance, don't let me fall  
I need one life, to get lost in the sound  
Just for one night, I don't wanna be found  
I don't wanna be found  
(I need one night, one night)  
(I need one night, one night)  
I don't wanna be found.

[Hook:]

My heart's beating too fast  
We wouldn't want it to slow  
Still we can make it to last  
We're perfectly out of control

One touch, with that one mind  
On this one stage and this one mic  
Weâ€™re all one heart in this one world  
So all we need is just one night

[Chorus:]

I need one night, to get away from it all  
I need one chance, donâ€™t let me fall  
I need one life, to get lost in the sound  
Just for one night, I donâ€™t wanna be found

I need one night (Iâ€™m dreaming)  
I need one night, I need one, one, one, one  
One night (Iâ€™m dreaming)  
I need one night, one night  
I donâ€™t wanna be found
