## "Until the Sunrise"

It's getting late but I'm not tired  
There's no place I'd rather be  
The night is young I feel inspired  
I guess we'll have to wait and see  
This night is perfect so don't let it end  
Let's make it worth it 'cause I got a feelin' that  
When this is over we'll do it again  
So if you feel it stand up, you could put your hands up  
Let's stay up until the sunrise  
We can dance the night away  
It could be like this forever  
Until tomorrow is today  
It's getting loud we're moving faster  
Like the beating of your heart  
This could be a sweet disaster  
Run with me into the dark, yeah  
This night is perfect so don't let it end  
Let's make it worth it 'cause I got a feelin' that  
When this is over we'll do it again  
So if you feel it stand up, you could put your hands up  
There's no need for time, 'cause with you  
it's standing still  
Only to make me feel like I do now  
'Cause we could have it all, till nothing is left to give  
Like this is our last chance  
'Cause that's the only way I live  
Is like tomorrow's the end and today's the day so  
you can save the date  
And you can live it how you wanna live it  
But you're gonna be givin' a whole lot of time just  
chasin' fate  
Everything's gon' be alright, so there's no need  
to fear  
I'll take you from the dark to the light so tonight  
we gonna live like we the last ones here  
Climbed myself from the bottom of the stars to the  
moon to the clouds now it's back to earth  
And I'm sayin' what I found on the way down when I  
touched ground is pain don't have to hurt  
So baby you could let it go, 'cause girl we're  
free to run  
So we should live tonight and dance until we see the

sun

This night is perfect, weâ€™™ ll do it again, if you feel it  
stand up, you could put your hands up

This night is perfect so donâ€™™ t let it end

Letâ€™™ s make it worth it cause I got a feelin' that

When this is over weâ€™™ ll do it again

So if you feel it stand up, you could put your hands up

The whole worldâ€™™ ll say

Me and you weâ€™™ re gonna stay up until the sunrise

Baby let me hear you say
