Listen, what can I doâ€¦speaking about you
â€¦
What can I say to you?
â€¦
What really lives inside you?
Cause I don't have a clue
When I think of your lifeâ€¦
How can I prove to you?
That I like everything about you
I ain't gonna lie, first time I saw you
Couldn't believe my eyes

Cause girl you're so smile
But I know better thanâ€¦
'cause only a pretty face can make you so appealing
When you open up your mouth to speak
You're so refreshing
Tell me, what can I do, to â€¦
