I want a picture in my pocket
From the day we met
Remember when we drank too much
I want to carry it around with me
And show it off to everyone we meet
If that's okay with you
I want to rent a plane and write our names
Across the sky
In big white fluffy letters
Or whisper something silly in your ear
When we're not suppose to laugh
Is that okay with you
Is that okay with you
Cause you make it real

One of these days Iâ€™m gonna find you
Baby Iâ€™m on my way, baby Iâ€™m on my way
I may be a step or two steps behind you
But baby Iâ€™m on my way, baby Iâ€™m on my way

I wanna look at you
From way across the room
And know exactly what youâ€™re thinking
Every corner of your body
Every perfect imperfection I would know
If thatâ€™s okay with you
I wanna take you on a thousand
Or more first dates
And every time Iâ€™ll make it better
Lie in bed with you for day and days
And never let you go
Is that okay with you
Is that okay with you
Cause you make it real

One of these days Iâ€™m gonna find you
Baby Iâ€™m on my way, baby Iâ€™m on my way
Iâ€™m only a step or two steps behind you
But baby Iâ€™m on my way, baby Iâ€™m on my way

And when weâ€™re gray and old

Iâll still be by your side
Warming your hands in mine
Weâll share the memories
And you make it real

One of these days Iâm gonna find you
Baby Iâm on my way, baby Iâm on my way
Iâm only a step or two steps behind you
But baby Iâm on my way, baby Iâm on my way
Yeah

I just wanna lie with you
Share my life and die with you
Love you every single day
Baby, Iâm on my way

You make it real
