In my life, I've done things I'm not proud of  
And too often watched my dreams turn to sand  
But it looks like I might have turned a corner  
You make me want to be a better man

There's no new leafs left for me to turn over  
I'm in a prison built by my own hands  
I pray at last I've found salvation  
You make me want to be a better man  
I can't go on living this way  
And that's a fact I know you understand  
I don't know much, but one thing's for certain  
You make me want to be a better man
