All Men, All Men are liars their words aint worth no more
than worn out tires.

Hey Girls, bring rusty pliers to pull this tooth, all men
are liars and that's the truth.

Do you remember Rick Astley?

He had a big fat hit that was ghastly.

He said Im never gonna give you up or let you down.

Well Im here to tell ya that Dicks a clown

Though he was just a boy when he made that vow.

Id bet it all that he knows by now.

Chorus

Among gods creatures man must be.

The most slimy and slippery now.

There stands the naked ape in a monkey suite.

Behind a little mustache he grew, the shifty brute.

All the ones not choking on the words they ate are

Sweating on getting their stories straight.

Chorus x 2
