We used to go out to parties and shows  
Back when she really really love me so  
Then he came along like a stormy sea

Not too long ago  
Now she don't love me anymore

And we would walk 'neath the tall oak tree  
Talking 'bout how happy how happy we would be  
Then he came along like a devil in disguise

Not too long ago  
Now I got tears in my eyes

She always said I was her world  
And our love would never die  
She always said we'd ever be as one  
But she left me for letting my heart to cry

Now I'm so lonely  
Lonely and blue  
'Cause there's nobody I can turn to  
I just let her get away from me

Not too long ago  
Now she don't want me anymore

Not too long ago  
And now I'm in a misery

Not too long ago

I thought I had a true fine love  
But I was wrong, wrong, so wrong

Cause I lost it  
And now I feel the sting of bitter tears in my eyes  
Salt water tears in my eyes

Cause I lost it  
Not too long ago
