The beast in me
Is caged by frail and fragile bars
Restless by day
And by night, rants and rages at the starts
God help the beast in me
The beast in me
Has had to learn to live with pain
And how to shelter from the rain
And in the twinkling of an eye
Might have to be restrained
God help the beast in me
Sometimes it tries to kid me
That it's just a teddy bear
Or even somehow manage
To vanish in the air
Then that is when I must beware
Of the beast in me
That everybody knows
They've seen him out dressed in my clothes
Patently unclear
If it's New York, or New Year
God help the beast in me
The beast in me
