My book has more bookmarks than pages  
'Cos it takes me ages  
Or is everybody reading  
Is everybody reading

Standing on a black Ulster hill  
I never fear the chill  
'Cos everybody's holding  
Everybody's holding

I wouldn't swap the pain  
For never knowing you  
I wouldn't swap the pain  
It was worth it for the view

My book has more bookmarks than pages  
'Cos it takes me ages  
Or is everybody reading  
Is everybody reading

Of a sparkling Medusa  
With snakes of cerise and blue  
And though we're all pillars of salt now  
It was worth it for the view

I wouldn't swap the pain  
For never knowing you  
I wouldn't swap the pain  
'Cos it was worth it for the view

We're still watching  
Your rainbow through the shower  
And we still see you  
In every sunflower  
We're still watching  
I make days from the hours  
And I still see you  
In every sunflower  
Every screaming sunflower

How they scream

They scream  
How they scream  
For you
