Everything is so good in the summer air Just put behind you all the problems that we share Look into the sun, you'll see me and you Cause now you have the perfect view

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me
I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

Sunny, happy with the music no money I'm taking you on holiday Sipping yellow lemonade Sunny, happy with the music no money I'm taking you on holiday Sipping yellow lemonade

Kept my promise and we're laying on the beach Now we have each other and it feels so rich Look into the sun, you'll see me and you Cause now you have the perfect view

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me
I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

Sunny, happy with the music no money I'm taking you on holiday Sipping yellow lemonade Sunny, happy with the music no money I'm taking you on holiday Sipping yellow lemonade So alone You're the only one for me I'm so alone And now I really wanna make you come along You're the only one for me

Sunny, happy with the music no money I'm taking you on holiday
Sipping yellow lemonade
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
