I was afraid to spell  
And I know that you where too-(were not where)  
If we try there is nothing to loose right now  
There's just me and you

(put your lips like this)

Bridge

I always remember, I can not believe  
But my baby, you showed me  
You showed me that is real

R

I've never felt this way  
I love you, I love you  
I've never felt this way  
Baby you, you show me the way

I tought you were just for a night  
But you seemed to be much more  
I felt something insĂde my heart  
What your eyes could show Strofa 1

I love you, I love you

I've never felt this way

I felt something inside my heart  
What your eyes could show
