Verse 1:

Come in the dark
What you're 'bout to see now
It's a lark
And it's all for free
Just cave into your darkest fantasy

While you're inside
You will fight your reason
You cannot hide
When you can't resist
Once you go you the rest will be consist

Chorus:

Cause tonight
There's a thousand whatts in me
So tonight
We will blind and mesmerize you
I know this much is true
Where we at
You don't need no daimond key
Break the chains
This is the walk of liberty
Come inside
The Anniela mind

Anniela anni-anni-anniela
Anniela anni-anni-anniela

Verse 2:

It's in your vains
It'll move through your system
Into your brain
An antidote attack
It's the point of no return where you wont go back

In this place
You'll have your transformation
Explore the haze
Without a doubt you'll find
That in this trans you'll be the art defined

Chorus:
Cause tonight
There's a thousand whatts in me
So tonight
We will blind and mesmeri-i-i-ze you
I know this much is true
Where we at
You don't need no daimond key
Break the chains
This is the walk of liberty
Come inside
The Anniela mind

Anniela anni-anni-anniela
Anniela anni-anni-anniela
Anniela anni-anni-anniela
Anniela anni-anni-anniela

Chorus:
Cause tonight
There's a thousand whatts in me
So tonight
We will blind and mesmeri-i-i-ze you
I know this much is true
Where we at
You don't need no daimond key
Break the chains
This is the walk of liberty
Come inside
The Anniela mind
