Verse 1

Feels like I'm made out of glass
Crashing to the floor, still I'm coming back for more
Once again I role the dice, hoping that the sun will rise
I was indestructable
'Til you showed your way makin' love and hate
Guess I'll be the victim of this masochistic crazy love

Chorus:

I don't wanna lose this feeling
I don't wanna change this heart of mine
A dark pearl that's bleeding
Through rain or shine
I don't wanna stop believing
You go on and keep this heart of mine
But don't you dare leaving
Dark Pearl still shine

Verse 2

Feels like you're made out of stone
Tearing down my walls, still I'm coming back for more
Just when I think I'm safe enough, then suddenly you
strike with force
You have sacrificed to much
Yeah that's what they say, 'bout this little game we play
But I like the way it feels, loved by a heart of steel

Chorus:

I don't wanna lose this feeling
I don't wanna change this heart of mine
A dark pearl that's bleeding
Through rain or shine
I don't wanna stop believing
You go on and keep this heart of mine
But don't you dare leaving
Dark Pearl still shine

Stick:

Don't want to change
This heart of mine
This pearl
Will shine

Chorus:

I don't wanna lose this feeling
I don't wanna change this heart of mine
A dark pearl that's bleeding
Through rain or shine
I don't wanna stop believing
You go on and keep this heart of mine
But don't you dare leaving
Dark Pearl still shine
