#### Verse 1

Another secret(  
Another lie you can regret  
(I hope she's worth it(  
Your silly act makes me so damn upset (  
Can't we admit it?  
It's so ironic to pretend(  
(

#### Prechorus 1

(I won't fake it,  
I'm no innocent(  
(

#### Chorus

(Always had a Devil inside  
(Behind those eyes  
(You've been an animal in disguise(  
Can't control the Devil inside  
(But, you're not alone(  
I've got a sin of my own(

#### Verse 2

While you are choking  
(I seem sorrier than I am  
(May think I'm broken  
(But I'm not even close to being bent((

#### (Prechorus 2

(I can't fake it,  
I'm no innocent((

#### Chorus

Always had a Devil inside  
(Behind my eyes(I've been an animal in disguise  
(Can't control the Devil inside  
(No, you're not alone(  
I've got a sin of my own((

#### Stick

You and me are devilish  
So full of shit and promises  
I can't take it no more

You and me are devilish  
I hate you but I love your kiss  
I can't take it no I can't take it no more

You and me are devilish  
There's nothing left I can't resist  
I can't take it anymore

You and me are devilish  
I guess we're done and through with this
