Verse 1

When you know everything is lost
When you have no place to hide
I will be your shield
I will be your firm ground

I give you worlds to believe in
A million reasons for live in
I will be your home
I will be your blue sky
Don't let this be our ending
On you my life's depending
Without you I'm lost
Without I'm no one

Chorus

Stay
Or you take my breath away
You don't wanna leave me this way
Cause I
I don't wanna live my life
Wondering if you will stay

Verse 2

You say our love is like the others
You say we're nothing but the common
I wish you could believe
And try to see what I see
For me there is only one life
For me there is only one time
Moments with you are everything I got, baby

Chorus

Stay
Or you take my breath away
You don't wanna leave me this way
Cause I
I don't wanna live my life
Wondering if you will stay

Stick

Must make you believe in
This thing we have
I know it's true
I know it's right
I know it shines
Please tell me you feel it
Or I rather vanish
Than feel the pain of you
Fading out of my life

Stay
Or you take my breath away
You don't wanna leave me this way
Cause I
I don't wanna live my life
Wondering if you will stay
