"Hey Mudfoot, you know what we're here for, lay some treats on us!"

-> Fat Albert

[Intro]

Yo, dis is one of the, dis dis

Yo dis is that, that's that joint

Yo that's the.. that's that joint

Yo this is another one from the, y'know

You know who it's from! WHAT?!

Oh, now you don't know who it's from now right?

Okay, now I'ma just tell you

You know this is from the diabolical energetical

poetical numerical new lyrical man, B-I-Z

Emmezah-emmezah-A-R-K-I-E

Best on the scene, man appointed rap king in effect

If you EVER try to disrespect the Biz Markie

Disability checks you collect, BUT ANYWAY!

I'm just bringin you you somethin

A new, a new a little somethin

Because you remember me from y'know, "The Biz

Mark, Biz Mark"

And from the {*beatboxing*} and all that mess

And you know all the other stuff from like, "Make the Music.."

But yo, but I'd like to dedicate this to, my best friend TJ

Swan

My cuz-n, my cousin Cutmaster Cool V

My man, my man, and my man, DJ Marley Marl

Cause we in the studio doin this, this is for my NEW

DANCE

So check it out, everybody ready

I think he's ready to get, I-ah-I

I-I just think he's read', I think I'm ready to get hype

[Biz Markie]

I'm the Diabolical, Biz Markie

From "Pickin' Boogers," the "Vapors" - "Make the

Music" you see

But now I'm bringin to you for your enjoyment

It's an animated dance for my employment

You might remember him from Saturday afternoon

He was my favorite character on any cartoon

But when you do the dance, you can't stay kaput
EVERYBODY GET UP.. and do the Mudd Foot
C'MON! Get up and do the Mudd Foot
C'mon, yo yo, yo c'mon and do the MUDD Foot
"Hey hey," yo h
