VERSE 1:

I open my eyes to see you,
Lookin' at me with your smile so electric,

I feel our circuits movin'
Dancin' with me as the beat shakes the room.

Oh,
Electronic fantasy,
That's the only way we're gonna do it tonight yeah,

Oh,
Come on and play with me,
Love you love you super sonic,
Love you love you so robotic.

HOOK:

Start me up
Start me up
Baby did you get enough
That's the way were gonna do it tonight
Circuits boards, spark, ignite
Plug you in,
Plug me in,
Wire's are burnin'
Gonna make ya say my name
Gritty beat keeps playin.

Digital Kiss,
Systematic love,
I give it digital,
It's always digital.

Technology, mechanical,
We only do it digital,
Don't you stop it,
Don't you fight it,
It's the new way,
Don't deny it.

Verse 2:

You, override my senses

Plug me in and let's do it one more time.

I want to know what your heart is,
Open you up, girl don't you hide

Oh,
You're my digital ecstasy,
That's the only way we're gonna play it tonight yeah,

Oh,
Come on and be with me,
Love you love you super sonic,
Love you love you so robotic.

HOOK:
Start me up
Start me up
Baby did you get enough
That's the way were gonna do it tonight
Circuits boards, spark, ignite
Plug you in,

Plug me in,
Wire's are burnin'
Gonna make ya say my name
Gritty beat keeps playin.

Digital Kiss,
Systematic love,
I give it digital,
It's always digital.

Technology, mechanical,
We only do it digital,
Don't you stop it,
Don't you fight it,
It's the new way,
Don't deny it.

BREAK DOWN
I see you in my sights
I know you're ready for love
We keep it physical
It's always digital

Baby come show me
How to be dirty
We keep it physical
It's always digital.

Start me up

Start me up
Baby did you get enough
That's the way were gonna do it tonight
Circuits boards, spark, ignite

Start me up
Start me up
Baby did you get enough
That's the way were gonna do it tonight
Circuits boards, spark, ignite.
