If I had one wish I would fly up and be a star  
I would look down on you,  
like you've looked down on me and mend your heart  
So look at me now as I stand up and shout  
No I'm not gonna disappear  
I am one of a kind  
I have made up my mind  
Can you see me standin here

Can you see me now, can you feel the crowd  
Can you see the light breaking through  
Can you hear my voice, can you feel my pain  
Every time you regard me with shame  
You are here right now dance with me right now  
Dance with me, with me

Oh, oh, oh, oh,  
Oh, oh, oh, oh,  
Oh, oh, oh, oh,

We're all trapped sometimes in some kind of crazy  
shell  
But you never will know where the river will flow to bring  
you help  
So don't be afraid, put your troubles away  
No I'm not gonna disappear  
No you cannot stop me  
I was born to be free  
Can you see me standin here

Can you see me now, can you feel the crowd  
Can you see the light breaking through  
Can you hear my voice, can you feel my pain  
Every time you regard me with shame  
You are here right now dance with me right now  
Dance with me, with me

Oh, oh, oh, oh,  
Oh, oh, oh, oh,  
Oh, oh, oh, oh,

Stand up and shout  
Dance with me now  
Stand up and shout (stand up now)  
Dance with me now  
Come on and stand up and shout (stand up now)  
Dance with me now (dance with me)  
Come on and stand up and shout  
Dance with me now

Can you see me now, can you feel the crowd  
Can you see the light breaking through  
Can you hear my voice, can you feel my pain  
Every time you regard me with shame  
You are here right now dance with me right now  
Dance with me, with me

Oh, oh, oh, oh,  
Oh, oh, oh, oh,  
Oh, oh, oh, oh,

Oh, oh, oh, oh,  
Oh, oh, oh, oh,  
Oh, oh, oh, oh,
