For to see my Tom of Bedlam
10,000 miles I'd travel
Mad Maudlin goes with dirty toes
For to save her shoes from gravel

~ Chorus ~

Still I sing Bonnie Boys
Bonnie mad boys, Bedlam Boys are bonnie
They all go bare, they live in the air
And they want no drink nor money

Went down to Satin's kitchen
For to beg my food one morning
There I saw souls piping hot
All on the spit a turning

There I picked up a cauldron
Where boiled 10,000 harlets
Though full of flame, I drank the same
To the health of all such varlets

My staff has murdered giants
My bag a long knife carries
To cut mince pies from children's thighs

For which to feed the fairies - for which to feed the
fairies

Spirits white as lightning
Shall on my travels guide me
The moon will quake the stars will shake
When 'ere they espied me

No Gypsy slut nor doxy shall win my mad Tom from me
I'll weep all night, the stars I'll fight
The fray will well become me

It's when next I have murdered
The Man-In-The_moon to powder
His staff I'll break
His dog I'll bake
There'll howl no demon louder

So drink to Tom of Bedlam
He'll fill the sea with barrels
I'll drink it all, all filled with gall
With Maudlin I will travel
