The way move & Grind on me,
You drive me crazy you're something I need,
You are like a drug so addicted to you,
You say you want me I want you too.
Yooooooooooooooooou are so damn fine,
And another one like like like like
Yooooooooooooooooou is so hard to find,,
But I gotta tell ya...

Youre full of shit, Youre full of shit
Youre full of shit, Youre full of shit yeah
Youre full of shit, Youre full of shit
Youre full of shit Youre full of shit Bitch
Youre full of shit, Youre full of shit
Youre full of shit, Youre full of shit yeah
Youre full of shit, Youre full of shit
Youre full of shit Youre full of shit Bitch

Hey baby girl, I gotta say,

You play hard it's a dangerous game,
I tried to find a love like yours ,
a little pain and a little bit more.

and iiiiiiiiiiit wasn't worth the lies,
So I gotta tell ya ...

Youre full of shit, Youre full of shit
Youre full of shit, Youre full of shit yeah
Youre full of shit, Youre full of shit
Youre full of shit Youre full of shit Bitch
Youre full of shit, Youre full of shit
Youre full of shit, Youre full of shit yeah
Youre full of shit, Youre full of shit
Youre full of shit Youre full of shit Bitch
