Sex I know you want some more Love a word we can ignore
War is what it's gonna be Please I hope you disagree
We, you me we're not the same Fun not you don't play no games
We can do it all night long That's the purpose of the song

Come on baby lets take a ride, I wanna show you how to work it right,
Come on baby keep your eyes on me Ooh baby im in Ecstasy.
(2x)

Girls they only want to fuck Guys they only want fuck
Chicks they only want the dick Dick it only wants chick
(2x)

I'm gonna teach you how to have a blast Drop it low pop that ass
Fun sitting down wine & crackers all around Lame play the game, lots of drinks
It's the fame, instead of toenail clippers Get some money, tip the strippers
Crazy, I see music, later on going cruising Then, back to disco from LA back to Frisco
Oakland across the bay that's were sexy ladies stay
Everything will be alright, come along for the ride

Come on baby lets take a ride, I wanna show you how to work it right,
Come on baby keep your eyes on me Ooh baby im in Ecstasy.
(2x)

Girls they only want to fuck Guys they only want fuck
Chicks they only want the dick Dick it only wants chick
(2x)

Chill with a Mexican (No I can't) Yes you can And I have a plan, let's take the party to Japan
Everything about you I would never doubt you I would

never leave you cuz I'm glad I found you
Girl, you are the finest and I'm being really honest It's
too fucking bad that you're stuck in there?
I'm the motherfucker that really cares No Bentleys,
Maybachs or Mercedes, I still get the sexy ladies
Engines from west to east, Mazi, Lambos and Ferraris
Sorry, not the word I wanna hear just Get your fucking
ass over here, girl

Come on baby lets take a ride, I wanna show you how to
work it right,
Come on baby keep your eyes on me Ooh baby im in
Ecstasy.
(2x)

Girls they only want to fuck Guys they only want fuck
Chicks they only want the dick Dick it only wants chick
(2x)
