When Did You Learn

When did you learn the rules of love's game?
The holding of hands
The turning of pages of poems that we silently read
When did you learn?

How did you find me?
Did you pursue love just for love's sake?
Or was it just something inside that you already knew?
When did you learn?

Something you said shortly after we met
It's just you and me
*All is new what we do
How did you know just what it would be like
Changing your life not like changing your mood

When did you learn the rules of love's game?
They came and they saw you
Calling and singing out my name
When did you learn?

You're walking and holding my hand in the crowd
Out in the day light
Smiling at faces and woohh feeling so proud
When did you learn?

Tell me when did you learn!
When did you learn?
