Forget your troubles c'mon get happy,
you better chase all your cares away.

Shout hallelulah c'mon get happy
get ready for the judgement day.

the sun is shinin c'mon get happy,
the lord is waitin to take your hand.
shout hallelulah c'mon get happy,
we're going to the promise land

We're headin across the river to
wash your sins away in the tide.
it's all so peaceful on the other side.

Forget your troubles c'mon get happy,
you better chase all your cares away.
shout hallelulah c'mon get happy,
get ready for the judgement day.

Forget your troubles c'mon get happy,
you better chase all your cares away.
shout hallelulah c'mon get happy,
get ready for the judgement day.

Forget your troubles c'mon get happy,
you better chase all your cares away.
shout hallelulah c'mon get happy,
get ready for the judgement day.

The sun is shinin c'mon get happy,
the lord is waitin to take your hand.
shout hallelulah c'mon get happy,
we're gonna be goin to the promise land.

were headin cross the river,
wash you're sins away in the tide...
