Just remember me darling When I'm in six feet of cold cold ground Just remember me darling When I'm in six feet of cold cold ground Always think of me darling Say yeah there's another good man gone down

Don't cry baby, baby after I'm gone Don't cry baby, don't cry after I'm gone

I've left the good man love you And I ain't done nothing wrong

Just lay my body, lay my body in six cold feet of ground Just lay my body in six cold feet of ground While I will be the loser, when that deal goes down

Remember me baby, when I'm in six feet of cold cold ground Remember me baby, when I'm in six feet of cold cold ground Always think of me baby, say yeah there's another good man gone down
