I'm the whinin' boy, don't deny my name  
I'm the whinin' boy, don't deny my name  
Deny my name, whinin' boy, don't deny my name  
Pick it up, shake it like Steven Shain  
I'm the whinin' boy, don't deny my name  
Mama Mama come here look at Sys  
Mama Mama come here look at Sys  
Oh Mama Mama won't you look at Sys?  
She is out on the levee doing the Double-Twist  
I'm the whinin' boy, don't deny my name  
Yeah  
I'm the whinin' boy, don't deny my name  
I'm still the whinin' boy, don't deny my name  
Deny my name, ohh whinin' boy, don't deny my name  
Pick it up and shake it like Steven Shain  
Ohh I'm the whinin' boy, don't deny my name  
Uhm I'm the whinin' boy, don't deny my name
