Bloodclot

Bwoy yuh mek di news  
Di rifle weh me use

Di life me choose fi make dem head ah bust  
Start war that's the least  
Rise the gaza beast  
Shotta chop yuh head inna piece  
Inna head, and inna chest and inna knees  
Marrow inna trees, bwoy life pass like the breeze

Me step out in white, him ah step out inna black  
Rifle ah kuff and it kweff and it ah clap  
Uno runway and unda da momma frat  
Dem go start di war and now ah beg we fi stop  
Postman mek a step, bullet ah step pon dem  
Di K guh way guh head nuh left pon dem  
Gaza man dem have di most bomb dem  
Ah who we nuh shot

Start war that's the least  
Rise the gaza beast  
Shotta chop yuh head inna piece  
Inna head, and inna chest and inna knees  
Marrow inna trees, bwoy life pass like the breeze

As ya hear

Bwoy life dash way like bread back  
Some rassclot gun from ken

And di next one mek yuh brain stop  
Shotta drop inna yuh head like raindrop  
Shot mek bwoy blood leak out

Start war that's the least  
Rise the gaza beast  
Shotta chop yuh head inna piece

Inna head, and inna chest and inna knees  
Marrow inna trees, bwoy life pass like the breeze

Me step out in white, him ah step out inna black  
Rifle ah kuff and it kweff and it ah clap  
Uno runway and unda da momma frat  
Dem go start di war and now ah beg we fi stop  
Postman mek a step, bullet ah step pon dem  
Di K guh way guh head nuh left pon dem  
Gaza man dem have di most bomb dem  
Ah who we nuh shot  
We ah hang dem

Start war that's the least  
Rise the gaza beast
