Not Nice  
This is a true story  
Oh-oh  
A Jah Vinci...  
The worst day  
I lost my brother on my birthday-ay  
Not Nice...  
When you miss someone  
You got to hold on... (be strong)

Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel Jah love is true  
Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel jah love is true

Me neva seh forgive dem fada  
Cause they know what they have done  
When dem kill mi bigger bredda wid di sniper rifle gun  
Nor mi mada nor mi fada cuda tell me put it dung  
Jah seh be easy, their time will come  
Him know  
We a more dan bredda, we ah fren  
And mi nah go see mi bredda face again  
Jah, what should I do  
While we're waiting for you  
Him seh be humble and be faithful too

Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel Jah love is true  
Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel jah love is true

A nuff a dem a wolf in sheep's clothing

But that nuh hard fu see  
Becah me have a higher link inna mi prophecy  
And every pain I feel Jah Jah feel seh  
Dat you are to stickness to dem wish tun Jah Jah he seh  
Working so hard everyday  
Got to a so pagan try fi take my life away  
To fadda mi a waan to him joy a pray  
Alone can guide me from these enemies cause

Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel Jah love is true  
Mom and dad was there for me  
But Jah Jah was there for me too  
Yes Jah gimme love inna mi heart  
And I can feel Jah love is true

Listen  
Real faithful servant I seh Jah here I am  
Is ready to keep from the beast  
Straight from Zion  
And I seh speak fadda speak  
Tell me...  
What you want from me  
He seh to tell us politics seh  
They should set my people free

Mom and dad was there for me  
But Jah jjh was there for me tooo  
Yes jah gi me lo-lo-love  
Love that is so trueeee  
Mom and dad was there for me  
But Jah Jah was there for me tooo
