Oh whoaa... Not Nice
All clear, yeah

Yuh fi watch yuh frenz weh yuh smoke with
And run joke with,
Ah dem think fi cut your throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist
So watch yuh frenz weh yuh smoke with
And run joke with,
Dem think fi cut yuh throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist

Mi put Psalm 33 at mi daughter head at night
And say a praya, before she go ah bed at night
Iron dawgs ah roam and dem nuh fraid fi bite
Nuh through yuh live throughout the day
Yuh will dead at night
Cause... day by day me see more man ah dead
Ah youth get run offa site and the foreman ah dead
Me get ah buss and fly weh and all pon tour man ah
dead
Youth get caught inna crime mek him poor mother
dead
You fi say a praya fi the thugs wey bleach at night
It's the least at night, no beauty only beast at night
And ah dem ah lock the streets at night
So you can't sleep in peace at night... sooooo

Yuh fi watch yuh frenz weh yuh smoke with
And run joke with,
Ah dem think fi cut your throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist
So watch yuh frenz weh yuh smoke with
And run joke with,
Dem think fi cut yuh throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist

Mi know say when, Jah Jah pree earth him feel hurt
Fi see me can't get no land pon the free dirt
Ah bare blood me see ah stain the youth dem t-shirt
Me wish me coulda build a rocket and mi leave earth
Whappen to the youth weh wipe the car glass
Weh you fly pass
You tell me say yuh business, when yuh nuh give a rass
When you give them the promises, me give them mi
last
When you buy dem some gun me go buy some chicken
parts
Nuh, through mi ah buss, mi hafi call pon mi God
Ask him fi watch mi feet pon the streets weh me trod
Cah nuff wah see me tagged and in a body bag
But mi nuh see nuh bwoy me fraid ah like
How me fraid mi God

Yuh fi watch yuh frenz weh yuh smoke with
And run joke with,
Ah dem think fi cut your throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist
So watch yuh frenz weh yuh smoke with
And run joke with,
Dem think fi cut yuh throat quick
The only fren wey mi love, ah the one up above
Keep him closer to mi than a rope twist
