(whistling)

Gucci, YSL, Louis Vuitton, Chanel  
Fur and gold leather shoes  
Weezy, Jeezy, Yeezy, and B.I.G.  
That's who I'm listening to

No, you're not a measure of what's in your pocket  
But it's certainly a pleasure to just buy a gold locket  
I could never stop it, these material things  
Oh the happiness these materials bring

(whistles)  
Che-ching  
(whistles)  
Che-ching  
(whistles)  
Che-ching  
(whistles)  
Che-ching, che-ching

Model chick, thick coat, bottle hips

Used to be a hostess, now she's only hosting me  
Oh I think she likes me, 'cause I'm pretty high  
It's pretty much amazing when she's close to me

No, you're not a measure of who you know  
But it doesn't really help to know no one  
I'll never be done with these material things  
Oh the happiness these materials bring

(whistles)  
Che-ching  
(whistles)  
Che-ching  
(whistles)  
Che-ching  
(whistles)  
Che-ching, che-ching

(whistling)
