This distance is an issue you, aint foolin' me.  
I'll pack my bags and run away baby.  
Just stay away, it'll be alright.  
I'm breaking free tonight.

I haven't felt this way in a long time,  
It's not the first time, but I won't hold my breath  
It's cause of you that I trust in few  
And why I'm sitting here with no hope left.  
Drink yourself to sleep tonight,  
Tip the bottle back, you'll be just fine.  
Don't hesitate to choke and die.

This distance is an issue you, aint foolin' me.  
I'll pack my bags and run away baby.  
Just stay away, it'll be alright.  
I'm breaking free tonight.

I can't stand the way you look at me, your eyes burn  
through my skin.  
There's not a chance or a second glance  
That this will work out in the end.  
Haven't felt this way in a long time  
This aint first time but I won't hold my breath.

This distance is an issue you, aint foolin' me.  
I'll pack my bags and run away baby.  
Just stay away, it'll be alright.  
I'm breaking free tonight.

You always thought you were better than me,  
But now they all see what I see (what do you see).  
Now it's time you'll envy me.

And I will stop to see the truth  
To never bend or break for you,  
You can't break me  
You can't break me down,  
A coward's escape is your way out.
