I won't look back.
I've lost it all again.
For the last time
I'll close my eyes,
I'll close my eyes and take a chance.
Is it worth it? Is it worth anything at all
To watch my hopes and dreams in front of me?
Oh God, don't let me fall.

I'm ready,
I'm ready,
I've come to far to give up now.
I'm ready, I'm ready,
To see my feet come off the ground,
I'm ready,
I'm ready,
I've come to far to give up now.
I'm ready,
I'm ready
To see my feet come off the ground.

Lets give it up for the ones who lack all tact,
A toast for those who held me back
'Cause I don't wanna live with regret.
Sincerity is dead.
