Can you spare a minute,  
For me to clear the air?  
It's been too long,  
And too many songs,  
And it's obvious that you don't care.  
I put my faith in nothing,  
For you to walk away.

Break out the lies,  
You have nothing left to say.  
It's time to leave,  
Because I couldn't believe  
What you were telling me.  
But I don't mind that I'm on my own,  
Now you're stranded all alone.  
Is that all you can say?  
"Are you better off this way?"

You call me selfish,  
You would be with a life like this.  
I can't breathe,  
And I can't believe you would leave  
For something like this.  
I put my faith in nothing for you to walk away.

Break out the lies,  
You have nothing left to say.  
It's time to leave,  
Because I couldn't believe  
What you were telling me.  
But I don't mind that I'm on my own,  
Now you're stranded all alone.  
Is that all you can say?  
"Are you better off this way?"

You've sentenced me to death. [x2]

Break out the lies,  
You have nothing left to say.  
It's time to leave,  
Because I couldn't believe

What you were telling me.  
But I don't mind that I'm on my own,  
Now you're stranded all alone.  
Is that all you can say?  
"Are you better off this way?"
