Don't know what you're getting into tonight but you're  
looking alright to me

Don't know what you're getting into tonight but you're  
looking mighty fine to me

Don't be surprised by this look in my eyes as I'm  
tracking you down when you make my heart go

Boom. Boom. Boom. Boom. Boom.

You make it go

Boom. Boom. Boom. Boom. Boom. Boom. Boom.

If you want it, come and find it

'cause I'm looking for it too

If you need it, I'll provide it

I'm gonna ask the same of you

I said "Hey girl. what's your life without regrets?"

I said it. "Hey girl. Pardon me for these Tourette's" but

Go ahead, leave your bags at the door and just shake  
that ass for me

Please. Go ahead, leave them all at the door and shake  
that fine ass for me

It's cheesy, but it's true.

I'll be grating my cheese for you

Show me how you move

Boom. Boom. Boom. Boom. Boom.

Oh, You make it go

Boom. Boom. Boom. Boom. Boom. Boom. Boom.

If you want it, come and find it

'cause I'm looking for it too

If you need it, I'll provide it

I'm gonna ask the same of you

And you make it go boom...

I said, let yourself go

Let yourself go

Let yourself go

Let yourself go

Let yourself go like there's nobody watching  
Just lose control  
Shake it and roll that ass with me

If you want it, come and find it  
'cause I'm looking for it too  
If you need it, I'll provide it  
I'm gonna ask the same of you

And you make it go  
Boom. Boom. Boom. Boom. Boom.  
Oh, boom. Boom. Boom. Boom. Boom. Boom. Boom.  
Dweet du du du du
