Am I the luckiest boy?  
Are you the luckiest? The only lonely girl tonight?

Come on. Come back. Make me feel that  
Come on. Come back. Make me feel... feel.

This is the luckiest day of our lives  
This is the luckiest. How did you not survive?  
If I played the game the wrong way would you help me  
understand?  
If you hold those cards in arm I can't see the other  
hand  
You got some crazy plans

Can I be anyone this time?  
Can I be anyone or has it passed its prime? So

Come on. Come back. Make me feel that  
Come on. Come back. Make me feel...

This is the luckiest day of our lives  
This is the luckiest. How did you not survive?  
If I played the game the wrong way would you help me  
understand?  
If you hold them all with one arm I can't see the other  
hand  
Wake me if you can

How was I to know that you'd come and go?  
Now I can see it was only in my dreams  
Then I see the sky and thank god I'm alive.  
Alive....

This is the luckiest day of our lives  
This is the luckiest. How did you not survive?  
Now, I know I played the wrong way but I still can't  
understand?  
If you hold them all with one arm I can't see the other  
hand  
So, cancel all your plans

And spend this luckiest day

And spend this luckiest day  
And spend this luckiest day with me.

This is the luckiest day  
This is the luckiest day  
This is the luckiest day of our lives.
