"How U Love"

To live, to move, to breathe
to have my being, existence,
it's only all because of your love.
Your love, it captivates my soul.
Your love, it's taking over me.

Who am I that you are mindful of me?
Why would you ever take a chance on me?
I don't understand this.
Knowing me, how could you plan this all along?

You take my faults and make me flawless.
Beautiful in your eyes regardless.
Oh how you love me. (You love me.)
Oh how you love me. (You love me.)

Oh how you care.
Where would I be without your mercy? (Oh I was)
Wandering nowhere till you found me.
Oh how you love me. (You love me.)
Oh how you love me. (You love me.)
Oh how you care.

You, and me, the sky, eternity,
will be, forever with-with thee.
I can't imagine your intentions,
completely for me. How could it be.
