Day by day, I'm trapped in an illusion
This life's worries surrounding me, vying for my
attention.
Whenever I need a reality check, God I look to you.
You are the truth in a world that's so confused.

You pick up the pieces, put them together again.
I've found that there's no one like you Lord. No one.

I realize that there's one thing
that my heart desires from thee,
oh to dwell in your presence forever.
God draw neigh to me,

Show me how to love like thee.
With all of my heart and my soul
I surrender to you Lord. I'm yours.

Make me, break me.
Lord have your way.
Create in me a clean heart.
For you're the only way.

I'm yours, I'm yours.
With everything I have, with everything I am.
I'm yours, I'm yours.
I give it all away, I give it all away.
