\*\*You and me  
Together-together-forever-forever  
We'll never-We'll never be apart.  
I gave it up so you could sign my heart.  
I can't wait to see  
Your face-your face-embrace-embrace  
The day-the day you come back.  
I'm holding to just that. Don't wanna fall back.  
Go on and sign my heart.

Early in the morning when the sun shines  
Wake me to your voice washing over me.  
Your presence, your spirit overflowing.  
Guide me every step of the way.  
I wanna spread your love today.

\*You got me thinking, contemplating about your love.  
It's so amazing, so incredible. oh your love.  
God I'm grateful above all that I am yours.

How could I ever thank you enough. No  
Without your grace, there'd be no me, no eternity with  
thee.  
I know you're there when I call.  
You pick me up when I fall.  
This is more than a cliché  
Truly you are all that I need.

\*, \*\*

No one else can do me like you do me Jesus  
You are all that I hope for, all I long for, j'adore
