Every girl gets her dreams
Cast into reality
Never sing goodbye to me
Only just recently

'Cause you seem to believe
That we'll never be free
I was gonna be knee deep
Can't we be like the season's trees?
Changeably, just not so easily

On and on, we're the same
Jumping through hoops of flames
Sounds funny but a dangerous game
Bitter picture, trapped in frame

Well, you seem to behave
Like we'll always be slaves
Never running away, yeah
Can't we be like the season's trees?
Changeably, just not too easily

'Cause you seem to believe
That we'll never be free
I was gonna be knee deep
Can't we be like the season's trees?
Changeably, just not so easily
