The world is a running brook
Take a look
Cold and always moving
Blind but never soothing

It moves like you and I
And never lies
Perfect like a circle
And powerful with energy

The world is an open book
Take a look
Welcome to your own views
Your greed is your own hangman's noose

She takes whatever you can give to her
No sooner
Never judging no matter
How much you seem not to care

The world is a bull whose horns you cannot pull
Silently rewarding
Relentlessly commanding

The world's own heart seems to be left behind
Your heart was left behind you
And I am behind you too
