ÂiYa todo se me acabÃ³!  
ÂiNo me puedo resistir!  
Si voy a seguir sufriendo  
Mejor quisiera morir  
Yo voy vagando en el mundo  
Sin saber a donde ir  
Los aÃ±os que van pasando  
No me canso de esperar  
Y a veces que estoy cantando  
Mejor quisiera llorar  
Â¿Para que seguir sufriendo  
Si nada puedo lograr?  
Las nubes que van pasando  
Se paran a lloviznar  
Parece que se sostienen  
Cuando a mÃ me oyen cantar  
Cuando a mÃ me oyen cantar  
Se paran a lloviznar  
Parece que alegran mi alma  
Con sus aguas que traen del mar  
The city surrounds him closely  
The crowd seems to pass him by  
Beneath its beloved sky  
And life treats him so unkindly  
He wishes that he would die  
His life has become so empty  
It's now just a broken sigh  
The one life filled with pride and courage  
But all that has now subsided  
It's now just a hollow storefront  
Adrift in an endless sky  
Adrift in an endless sky  
So lost to the world is he  
A man who has been forgotten  
Alone with his misery  
Alone with his misery  
He dreams of his childhood days  
Though God made his children equals  
We're different in many ways  
Give it to me, give it to me  
Give it to me now
