Cease to know or to tell
Or to see or to be your own
Cease to know or to tell
Or to see or to be your own

Have someone else's
Will as your own
Have someone else's
Will as your own

You are beautiful
And you are alone
You are beautiful
And you are alone

Often the adolescent play
Reward your grace
Often the adolescent play
Reward your grace

Confuse your hunger
Capture the fake
Confuse your hunger
Capture the fake

Vanish the faces
Reward your grace
Vanish the faces
Reward your grace
