I'm not saying that I love you  
I'm not saying that I care if you love me  
I'm not saying that I care  
I'm not saying I'll be there when you want me

I can't give my heart to you  
Or tell you that I'd sing your name up to the sky  
I can't lay the promise down  
That I'll always be around when you need me

I may not be alone each time you see me  
Along the street or in a small cafe  
But still I won't deny you or mistreat you  
Baby, if you let me have my way

I'm not saying I'll be sorry  
For all the things that I might say that make you cry  
I can't say I'll always do the things you want me to  
I'm not saying I'll be true but I'll try

Oh, I may not be alone each time you see me  
Or show up when I promise that I would  
But still I won't deny you or mistreat you  
Baby, if you love me like you should

I'm not saying I'll be sorry  
For all the things that I might say that make you cry  
I can't say I'll always do the things you want me to  
I'm not saying I'll be true but I'll try  
I can't say I'll always do the things you want me to  
I'm not saying I'll be true but I'll try
